

RICE ALLIANCE STARTUP ROUNDUP

Join the Rice Alliance Startup Roundup at OTC

The Rice Alliance Startup Roundup at OTC is a live event at OTC on Monday, 4 May 2015, from 1330–1700 hours. It is in partnership between OTC and Rice Alliance, and an online event after OTC involving Ultra Light Startups.

The live event on 4 May will showcase up to 50 emerging energy companies available for investment. It offers a great opportunity for OTC attendees to learn more about these emerging businesses and enable potential partnerships and investments.

Program Details

On Monday, 4 May, participating startups will have the opportunity to have one-on-one meetings with investors called Investor Office Hours. Following Investor Office Hours, the Business Pitches will be open and free to registered OTC attendees followed by a networking reception.

Start-Ups: Apply to Participate

The application deadline for startups to participate at the live event at OTC is **Wednesday, 25 March 2015 at 1700 hours (CT)**.

There is no fee to apply. Once selected, companies must pay a presentation and registration fee of USD 225 which covers the registration fee for one person, participation in 1-on-1 meetings during Investor Office Hours, and participation in the Business Pitches. This fee does not include OTC registration for the presenting company.

Start-Up Companies: Learn more and [apply to participate](#).

Partnership with **RICE ALLIANCE** and **OTC**

About the Organizers

The **Rice Alliance** has successfully conducted more than 50 such events through the last 15 years, with presenting companies going on to raise over \$2.8 billion in startup and follow-on funding.

Ultra Light Startups is a community dedicated to helping startups grow their businesses and become successful. At the online event, the top 10 startups from the live event will pitch virtually to a panel of early-stage investors, who give advice and feedback. Ultra Light Startups is the 1 startup-investor pitch event in New York and Boston.
