

RICE ALLIANCE STARTUP ROUNDUP

JOIN THE RICE ALLIANCE STARTUP ROUNDUP AT OTC

The Rice Alliance Startup Roundup at OTC is a live event at OTC on Monday, 2 May 2016. It is in partnership between OTC and Rice Alliance, and an online event after OTC involving Ultra Light Startups. The live event on 2 May will showcase up to 50 emerging energy companies available for investment. It offers a great opportunity for OTC attendees to learn more about these emerging businesses and enable potential partnerships and investments.

PROGRAM DETAILS

On Monday, 2 May, participating startups will have the opportunity to have one-on-one meetings with investors called Investor Office Hours. Following Investor Office Hours, the Business Pitches will be open and free to registered OTC attendees followed by a networking reception.

ABOUT THE ORGANIZERS

The **Rice Alliance** has successfully conducted more than 50 such events through the last 15 years, with presenting companies going on to raise over \$2.8 billion in startup and follow-on funding.

Ultra Light Startups is a community dedicated to helping startups grow their businesses and become successful. At the online event, the top 10 startups from the live event will pitch virtually to a panel of early-stage investors, who give advice and feedback. Ultra Light Startups is the 1 startup-investor pitch event in New York and Boston.
